

Warranty General Terms

Warranty does not apply to routine scheduled maintenance items.

The "Warranty Record" is not assignable and is for exclusive benefit of the customer and vehicle identified herein.

In the event that an automobile mechanical service rendered by Toledo Auto Care fails to perform satisfactorily within the specified period from date of invoice, then the same service as covered by original invoice will be rendered to the degree necessary to correct the faulty performance, unless the invoice is noted to show that the customer declined to authorize certain specified labor, parts or materials as required for satisfactory performance.

Toledo Auto Care, rendering the original service, will handle such corrections without any additional charge for labor, parts, or materials. Only in cases where new labor, parts, or materials might be authorized, over and above that specified on the original invoice.
